# School Social Work Services Framework

# School Social Work Internship Reimagined

## The Perfect Storm

1. Develop the skill of flexibility
2. Embrace change
3. Build, and fortify proble-solving skills
4. Accelerate course in crisis intervention

## Practice Reimagined

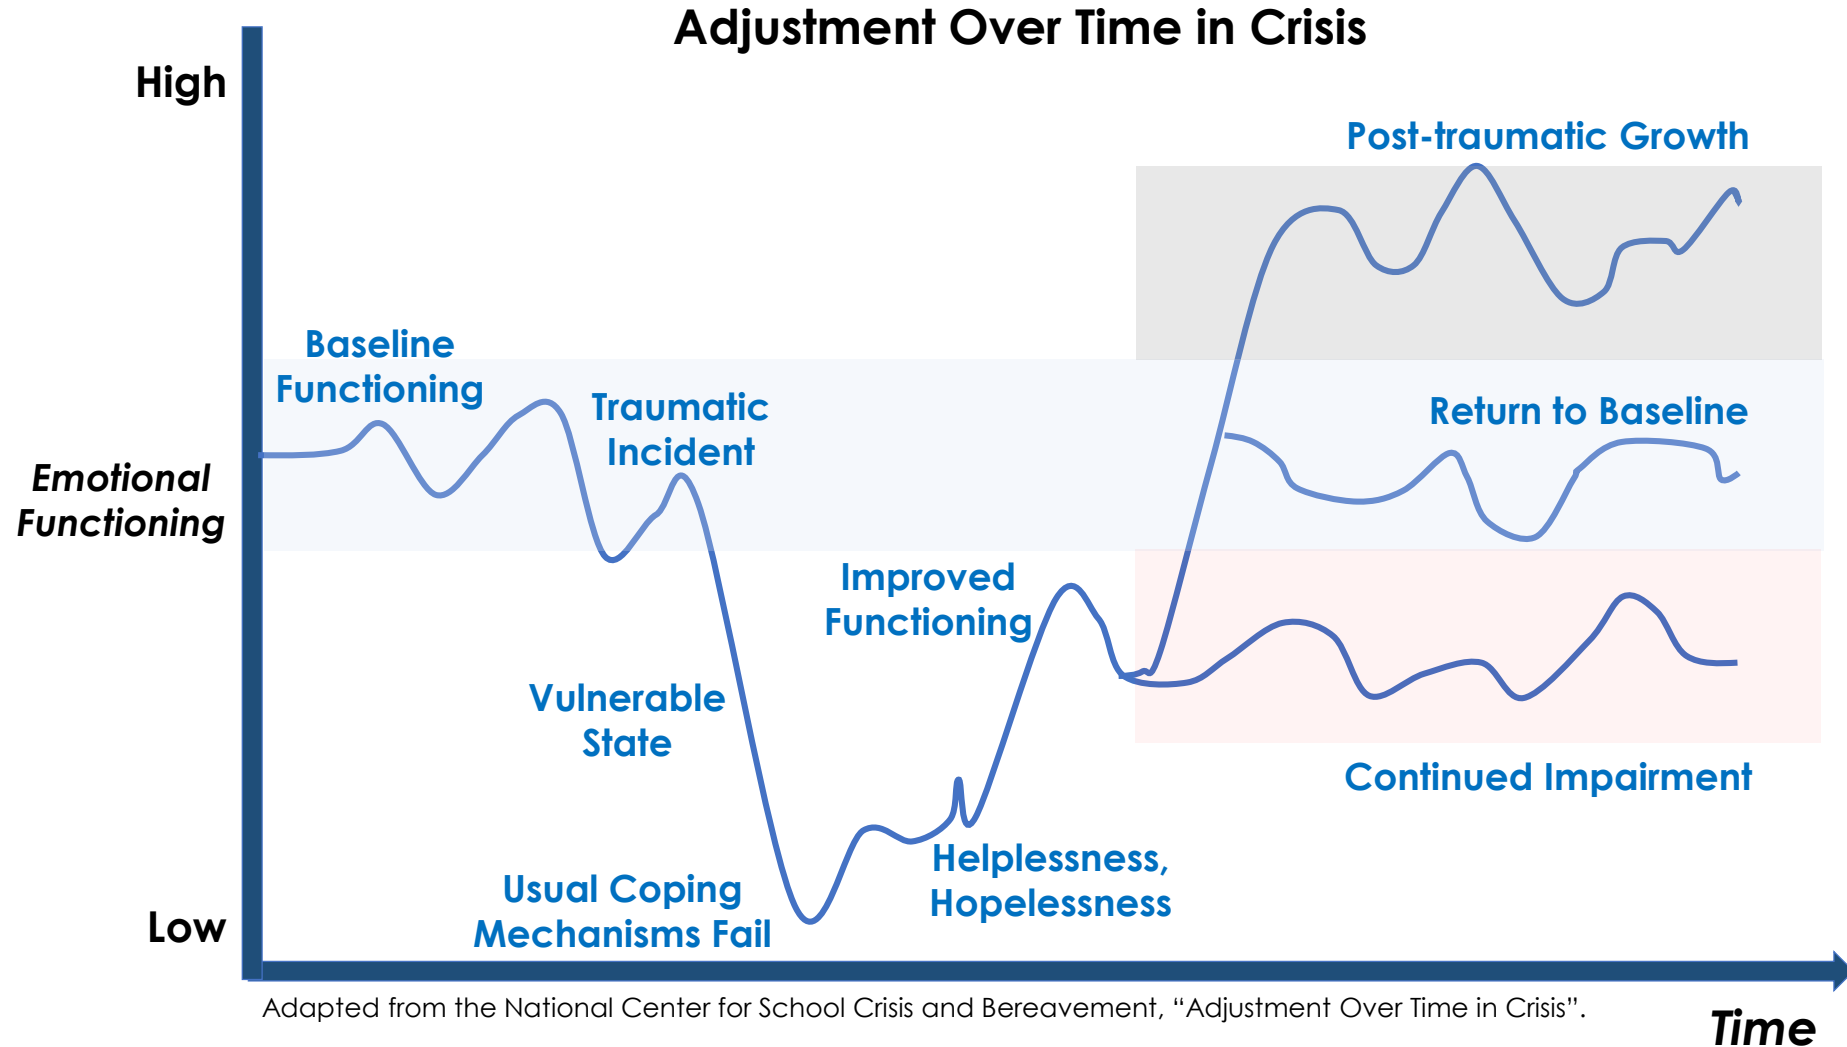

1. Revision of traditional face-to-face services
2. Additional training on providing services in the virtual space
3. Innovative and creative practice techniques with individuals as well as small groups and family units.
4. Research and chronicle resources for staff, students and community

## The Benefits

1. A more rounded professional
2. A keener sense of professional proclivity
3. Narrow the gap between micro, mezzo, and macro practice
4. Improve collaboration between universities, schools and student interns.
