

Mental Health Training Series

The Florida DOE and School Social Work Association of America are proud to provide, once again a series of live trainings for school-based mental health professionals throughout Florida. Each topic is offered once live and will be recorded and available for later viewing.

Each webinar is eligible for **1 CEU (FL Chapter 491)**
Provided by FASSW.

Click below to register and read more about our first training.

Live Webinar:

Attending to Student Needs: Engaging and Connecting to Improve Attendance

Friday, October 22nd
