Mental Health Recorded Training Series

The Florida DOE and School Social Work Association of America are proud to provide a series recorded trainings for school-based mental health professionals throughout Florida.

Each webinar is eligible for
1 CEU (FL Chapter 491) provided by FASSW.

Mental Health Professionals who are licensed are under **Chapter 490** will receive an additional form via email to complete and submit independently to the CE broker.

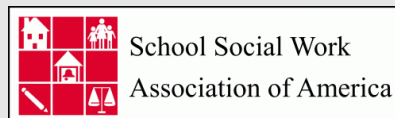

In order to earn CEUs for recorded webinars, you will have to watch the entire webinar, take a post test (pass with 80%) and complete an evaluation. After doing those three things, the system will record you as being complete. For Chapter 491 CEUs, please expect your CEUs to be recorded into CE broker within 8 weeks after the course has closed.

Please keep in mind, some recordings may not provide CEUs in time for the annual deadline.
